**Dear Dukes Fans, please join us this evening in welcoming and honouring members of CFB Trenton - 2 Air Movements Squadron.**

### 8 Wing/CFB Trenton

From delivering supplies to the high Arctic to air-lifting troops, equipment and humanitarian loads worldwide, 8 Wing/Canadian Forces Base Trenton is the hub of Royal Canadian Air Force air mobility operations in Canada. Members of 8 Wing Trenton are involved in virtually every Canadian Armed Forces operation. Most personnel and equipment deployed by air within Canada, or around the world, pass through Trenton at some point.

The Wing is home to a diverse range of squadrons including, 424 Transport and Rescue Squadron operating both the CC-130J Hercules and CH-146 Griffon helicopter. 436 Transport Squadron flies the CC-130J Hercules and 426 Transport Training Squadron is responsible for training many of 8 Wing's pilots and aircrew. 429 Transport Squadron operates the CC-17 Globemaster III and 437 Transport Squadron flies the CC-150 Polaris and CC-330 Husky. Two flying squadrons based outside of 8 Wing are 412 Transport Squadron in Ottawa, which operates the CC-144 Challenger, and 440 Transport Squadron in Yellowknife, which flies the CC-138 Twin Otter. Ground handling and air mobility support are provided by 2 Air Movements Squadron, while 8 Air Maintenance Squadron handles second line aircraft maintenance. 8 Operations Support Squadron is the driving force behind 8 Wing's operations, while 8 Mission Support Squadron provides the critical support and services that enables ongoing, sustained missions at the Wing. 8 Wing Air Reserve Flight adds reserve personnel to support the mission.

### 2 Air Movements Squadron

2 Air Movements Squadron is the only air movements squadron in the Royal Canadian Air Force and the largest employer of Traffic Technicians and Air Movements Officers. The Squadron is responsible for providing safe and efficient processing of passengers, baggage, freight, and mail originating, staging through or terminating at 8 Wing/CFB Trenton, and provides Mobile Air Movements Sections (MAMS) in support of CAF operations and exercises around the world. Shipping an average of 16.5 million pounds of freight and processing 9,000 passengers per year, with 2024 seeing 13.4 million pounds and 6,000 passengers processed, 2 Air Movements Squadron and its personnel embrace the Squadron motto of "Nunquam Non Paratus" (Never Unprepared) as they recognize how critical they are to enabling CAF operations and the sustainment enterprise, and thus achieving the Government of Canada, and the Department of National Defence/Canadian Armed Forces' strategic and operational effects.

## Remembering Cline

**RAYMOND "CLINE" PIERSON**  
**April 16, 1946 – February 16, 2025**

The Wellington Dukes family are saddened to learn of the passing of Cline Pierson, a proud sponsor of the Wellington Dukes for more than 35 years. Cline was a supporter of the new arena when it was built. He looked forward to the Dukes home games, but it was talking to the fans that brought him the most enjoyment. He will be missed by all who knew him here in the Duke Dome.

We take a moment of silence today to remember one of our great ones, sending deepest sympathy to his family and friends.

**A Celebration of Cline's Life will be on Wednesday, March 5th from 2-4 at in the Highline Hall at the Wellington & District Community Centre.**
